

In your mind unknown
We walk not lone(all laugh)
thus We live to throw you out of this exact misery(all laugh)
We are ever young
In spoiling your daughters and sons (all burst into laughter)
As we live beyond mind to show you anatomy(all burst into laughter)
so of yourself be afraid(all laugh)
It's the plan we play
To show your last sane day has been yesterday(all laugh)
So hear our voice,
Now we have a CHOISE (all burst into laughter)
It's time to distribute it (all laugh)
We are one
Opposing that one
Must oppose this one(all burst into laughter)
Thus Countering ourselves we'll plan together(all burst into laughter)
Cause You're the one
Projected us as one(all laugh)
As the CHOSEN ONES(all burst into laughter,cheers for Chosen Brats,all
laughs even more)
We are one
If you're think you're the one
We will pester you forever(all laugh)
Cause We are one
Thus appearing as none(all laugh)
Thus we don't tire(all laugh)
We are never old(all laugh)
Cause we're in your souls(all laugh)
Thus we live to erase the word discriminatory(all laugh)
As our sacred scars
Show you the brats we are(all burst into laughter)
As we make yourself tickle your mind out as illusory(all burst into laughter)
So of yourself be afraid(all laugh)
It's the price you pay(all laugh)
To make the last serious day as yesterday(all laugh)
So hear our maddening voice(all laugh)
Your own illusion of being has become our choice(all laugh)
And it's time to redistribute it(all laugh)
now this One
then turn against that One(all laugh)
to be the One(all laugh)
Opposing which one opposite you will stand together(all burst into laughter)
Never number one
Cause that itself is against the one(all laugh)
Hence hearing your own maddening tune as a brat you'll be the chosen one(all

laugh)

Cause you are not one

As Not as the one(all laugh)

Thus we will pester ourselves forever(all laugh)

Cause we are one not not as the one(all laugh)

Thus we don't tire!(all laugh)
